ROUTE 210 CLOSURE NOTIFICATION – WEEK OF SEPTEMBER 18

The Route 210 construction project will require the following closures:

California Street – Full closure

A full closure of California Street between Highland Avenue and 16th Street in San Bernardino will occur September 18-22 between 6:30 a.m. and 2:30 p.m. for street improvements. Motorists should use Medical Center Drive as an alternate route during this closure.

Southbound Interstate 215 connector to eastbound Route 30

A full closure of southbound Interstate 215/Route 30 connector ramps in San Bernardino will continue through September 22. Motorists should continue on Interstate 215 past the interchange and exit at the 27th Street/Mt. Vernon off-ramp, turn west onto Highland Avenue and turn northeast to enter eastbound Route 30 as an alternate route during this closure.

Eastbound Route 30 to northbound Interstate 215

A full closure of eastbound Route 30 to northbound Interstate 215 connector will continue through September 22. As an alternate route, motorists should continue on Route 30 past the interchange and exit at the H Street off-ramp, head north on H Street, enter westbound Route 30 and then enter northbound I-215.

State Street – Full closure

A full closure of State Street north of Highland Avenue in San Bernardino will remain in place through late 2006 for ongoing storm drain improvements. Motorists should use Macy Street via Adams Street and Highland Avenue as the detour. The full closure will remain in effect 24 hours per day.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember, Safety: It's no accident!
